

ALL WORK IS MY WORK

Love@Work Bulletin ~ Issue 159 ~ 22 April 2011

*Love all as you love yourselves,
and prosper by love.
Then no harm can come to you.
It will only spread joy and happiness to all.
God Is Present in all beings as Love.
They all endeavour to merge their love with
the Ocean of Love that God is.
Wherever Love is evident, take it that it is
God's own Love.
God is the greatest Lover of mankind.
Therefore, when anyone decides to serve
humanity whom He loves, God showers
Grace in plenty.
When the human heart melts at the suffering
of others and expands as a result of that
sympathy, believe that God is present there.
